# acknowledgments

On behalf of the City of Los Angeles and SLRC Master Plan team, we would like to thank the following contributors and collaborators without whom the SLRC Master Plan vision outlined in this report would not have been possible.

## THE COMMUNITY

Thank you to the hundreds of community members who attended our four in-person community workshops and over 3,000 who participated in our questionnaires. Your time, dedication, and input were invaluable in crafting the Master Plan design herein. Your continued interest and support will be crucial to realizing this vision.

## THE STAKEHOLDER WORKING GROUP (SWG)

A special note of thanks to our SWG team who dedicated a significant amount of their own time to meet with the project team, providing guidance and input on the community workshops and Master Plan design.
