MEETING NOTES

<b>1.</b>	<b>Introductions</b>
<b>2.</b>	<p><b>Meeting Purpose</b>  The purpose of this meeting was to provide an update on the Master Plan, to introduce the SWG to our team’s EIR consultant ESA, and to provide an overview of the CEQA process.</p> <p>See PDF of meeting presentation for more information.</p>
<b>3.</b>	<p><b>Project Update</b>  The full Master Plan Report and all its related appendices have been uploaded to the project website at: <a href="https://eng.lacity.org/silver-lake-reservoir-complex-master-plan">https://eng.lacity.org/silver-lake-reservoir-complex-master-plan</a></p>
<b>4.</b>	<p><b>California Environmental Quality Act (CEQA)</b>  ESA provided an overview of the CEQA EIR process including opportunities for public review and comment as well as a draft project schedule.</p> <p>See PDF of meeting presentation for more information.</p>
<b>5.</b>	<p><b>Questions &amp; Answers</b>  Comments on the EIR will be requested and accepted at the appropriate times during the environmental review process, as explained in the currently estimated schedule within the presentation.</p>
